Dear Vintage Member

Re: 2019/2020 Leisure Membership Programme

As our 16th year of operation draws to a close, we are reassessing the way we operate and exploring ways we can be more effective in meeting the changing needs of our community and guests demands.

As of the 1st of July 2019 it will no longer be compulsory for lot owners to maintain a Leisure Membership at the Vintage. Leisure Membership will be fully optional but still be included in all Golf Memberships as before.

The Recreational facilities have been undergoing a number of changes over the past 7 months, and upgrade works will continue to take place in the coming months. The shade cover over the pool will also be replaced from the recent damaging winds.

Holiday Leisure Membership is a new Level which will apply for lot owners who lease their house out to guests and wish to have access to the Leisure facilities. This will give the lot owner the opportunity to include these great facilities when listing your house as a holiday rental.

We have also added a Spa Membership for those who want those benefits. *'The Spa Leisure Membership'* include complimentary spa treatments, discounts on other treatments and spa products, as well as full use of all leisure facilities and the Hydro-Lounge at the Hotel.

For more information please see our Membership Packages attached.

We value the relationship we have built together over the past years and hope your experience has been and remains a positive one.

Payment is due by **July 31st 2019** to retain your membership status and playing privileges and **please note new or expired Memberships may attract a joining or reactivation fee.**

If you have any questions, changes or would like to upgrade your Vintage membership, please contact Matt Kelly at mkelly@thevintage.com.au.

On behalf of The Vintage Golf Club, I thank you for your wonderful ongoing support over the past 12 months and we look forward to your continued support of our fantastic Resort for the coming year.

Warmest Regards,

Matt Kelly

Golf Operations Manager
